Liability Statement
 The Minnesota Department of Education, Food & Nutrition Service (MDE-FNS) and Land Management Information Center (LMIC) do not warrant the results you may obtain by using this map. This map is provided "as is" without express or implied warranties, including warranties of merchantability and fitness. It is not to be used as a basis for any consequential, incidental or special damages, including any lost profits or lost savings, even if MDE or LMIC representative had been advised or indicated areas they felt were in error. Their additional deletions may not have been coordinated with adjacent school districts. Please contact your county's auditor or assessor to obtain an accurate legal description of the boundary.

PLEASE NOTE: The school district boundary appearing on this map was prepared for the Department of Education. It does not necessarily represent the legal boundary of the district. It is a generalization of boundaries drawn on maps in the late 1990s by county officials and modified by the U.S. Bureau of the Census, most recently for Census 2000. For the academic year 2003/2004, LMIC asked school officials to review maps of the Census Bureau's district boundaries and indicate areas they felt were in error. Their additional deletions may not have been coordinated with adjacent school districts. Please contact your county's auditor or assessor to obtain an accurate legal description of the boundary.
