PLEASE NOTE: The school district boundary appearing on this map was prepared for the Department of Education. It does not necessarily represent the legal boundary of the district. It is a generalization of boundaries drawn on maps in the late 1980s by county officials and modified by the U.S. Bureau of the Census, most recently for Census 2000. For the academic year 2005-2007, LMC asked school officials to review maps of the Census Bureau's district boundary and indicate areas they felt were in error. Their additional deletions may not have been coordinated with adjacent school districts. Please contact your county's auditor or assessor to obtain an accurate legal description of the boundary.
