

Attachment D FY22 Form Completion Tips

Thanks so much for working with the MN GAC 3D Geo Committee on a USGS 3DEP BAA grant request. Here are some tips on filling out the Attachment D form. Please contact us at lidar@state.mn.us if you need more assistance or have questions.

1. Applicant Information:

MNIT – MnGeo will be submitting the application to USGS on behalf of the Geospatial Advisory Council's 3D Geo Committee.

- First Name: **Dan** Last Name: **Ross**
- Organization: **MNIT Services - MnGeo (Minnesota Geospatial Information Office)**
- Project title: **Minnesota 3DGeo Lidar Acquisition Block**

2. Proposed funding partner:

- Fill out the first and last names of the contact at your organization
- Fill out the name of your organization, such as the County name, or State Agency name and division

3. Statement section:

- Fill out only the **GPSC section** (highlighted in yellow below).
- Enter your organization funding amount in the first input box (highlighted in yellow).
- Note that the next two lines will be automatically calculated when you hit the **TAB key**. These are showing that a percentage of the contribution will be put to the project management by USGS and DOI.

4. Contribution Type section:

- Select either guaranteed or pending box. Pending could be selected by a county if they have set aside funds, but they need to be approved by the Board. The Board meeting data can be put in the date field
- If the pending box is selected, enter the date in the format shown.

5. Signature section:

- The funding partner in section 2 signs and dates the form.

6. Email your completed form to lidar@state.mn.us
