Distribution Liability Notice

For data or maps delivered online or by physical media by the State of Minnesota (State).

Limitations: By clicking “I accept” or by accessing *a specified dataset (i.e. Clearinghouse data)* (“data”), you agree to be bound by the terms and conditions provided below. The data is made available as a public service. Although extensive effort has been made to produce error-free and complete data, all geographic information has limitations due to the scale, resolution, date and interpretation of the original source materials. Users should consult available data documentation (metadata) for this particular data to determine limitations and the precision to which the data depict distance, direction, location or other geographic characteristics. Data may be subject to change without prior notification.

No warranties: All data is provided "as is," without any representations or warranties whatsoever, including but not limited to any representation or warranty as to accuracy, completeness, suitability, reliability, performance, merchantability or fitness for any particular purpose.

Liability: The entire risk as to the results of the use of this data is assumed by the user. The State and its employees and agents are not responsible for any use, interpretation or conclusions made by those who acquire or use the data. The State and its employees and agents shall not be liable for any direct, indirect, special, incidental, compensatory or consequential damages or third-party claims resulting from the use of this data, even the State has been advised of the possibility of such potential loss or damage. In states that do not allow the exclusion or limitation of incidental or consequential damages, this data may not be used.

Redistribution conditions: In obtaining this data from the State, it is understood that you and/or your organization have the right to use it for any purpose. If you modify the data, you are encouraged to apply responsible best practices by documenting those changes in a metadata record. If you transmit or provide the data to another user, it is your responsibility to provide appropriate content, limitation, warranty and liability information as you see fit.

Disclaimer of duty to continue provision of data:

Due to the dynamic nature of the Internet, resources that are free and publicly available one day may require a fee or restricted access the next, and the location of items may change as menus, homepages, and files are reorganized. The user expressly agrees that use of the State’s Web site is at the user's sole risk. The State does not warrant that these services will be uninterrupted or error free. The documents and related graphics published on these servers could contain technical inaccuracies or typographical errors. Changes are periodically added to the information herein. The State and/or its respective agencies and programs may make improvements and/or changes in the information and/or programs described herein at any time.

Data delivered on electronic media: If data has been requested from the State on magnetic media, CD or any other physical media, the State will deliver it in the computer-readable format agreed upon with the requestor. The State will reissue data if it is unreadable by correctly adjusted computer input devices or when the media is delivered in a damaged condition. Requests for reissue of this digital data product must be made within 30 days of the date shipped from the State.

All data and other material provided herein are protected by copyright. Permission is granted to copy and use the data and materials herein.

User agrees to defend, indemnify, and hold harmless, the State and its employees and agents from and against all claims and expenses, including attorneys' fees, arising out of the use of the data.

This agreement is governed by the law of Minnesota, and any lawsuits involving this agreement or these data must take place in Minnesota. This agreement is the exclusive statement of the agreement between the parties and may be modified only by a written agreement.

By using these data, the user acknowledges that the above conditions have been read and that the user is bound by them.
