The school district boundary appearing on this map do not necessarily represent the legal boundary of the district. It is a generalization of boundaries drawn on maps in the late 1980's by county official's and modified by the U.S. Bureau of the Census, most recently for Census 2000. Since 2005, district boundary's have been modified by the Dept. of Education based on completed County Parcel information. Please contact your county auditor or assessor to obtain an accurate legal description of the boundary.
